Angie Davila Joins The Team

: The Scrip team is happy to announce the addition of Angie Davila. She will be filling the pouches for both campuses and processing the orders. Scrip is a great way to help support the school and earn tuition credit. We have worked very hard over the past several years to grow this program and we have succeeded with all your help. With growth comes added work. That is why it is great to have Angie volunteer to help with this very worthwhile program. We would also like to thank the other volunteers that help with the Scrip program: Diane Terpstra; ordering and picking up local retailers, Jean Allen; scrip order form, Gail Kaviani; checking in Great Lakes order and ALL the families that participate.

You can contact Angie @ 608-322-0442 or scrip@rccs.us
