**** Vaccinations for individuals 6 months of age through 24 years of age.**

A Rock County community-wide clinic will be held on Saturday, November 14, 2009 from 9:00 AM until 2:00 PM at the Janesville Job Center for those that meet one, or more of the following risk factors:

- Pregnant women
- People who live with or care for children younger than 6 months of age
- Healthcare and emergency medical services personnel with direct patient contact
- People from 6 months of age through 24 years of age
- Persons 25 years of age through 64 years of age with conditions associated with higher risk of complications from influenza such as; diabetes, heart disease, asthma and kidney disease

After November 1, 2009: those individuals meeting one or more of the above risk factors can receive an H1N1 flu shot by calling Rock County Health Department at 608-757-5440 and scheduling an appointment. Please do not call for an appointment until after November 1.

*** Clinic dates are dependant upon availability of vaccine. Updates will be posted on the Rock County website: www.rock.co.wi.us under news and information- click on H1N1 (swine) flu info link.**
