

We are now collecting drink pouches, chip bags, lunch kit packaging, Malt-o-Meal cereal bags, candy wrappers, plastic Huggies brand wrappers, empty tape dispensers and cores, and Scott brand plastic wrappers. The school will receive \$.02 from Terracycle for each piece collected. Boxes will be available in the lunchroom to collect the above-mentioned food wrappers. To see how Terracycle reuses these items check out: www.terracycle.net.

Thanks for your help!

Jackie Ray (Elementary School Secretary)
